What Kind of Christian Are You?

Part I

Commentary, March 28, 2021

In the body of Christ there are all kinds of people who call themselves Christians. There are different denominations, belief systems, types of worship and doctrines by which one grows in the knowledge of God. The reality is people come to church full of jealousy, envy, strife, hatred, fornication, adultery, homosexuality, selfish ambitions, pride, lies, lust, and unrighteousness. Some people really believe they don't have to change their lifestyle to serve God. The above-mentioned are characteristics of the works of the flesh according to Galatians 5:19-21. God said this type of conduct as a practiced lifestyle will forfeit one's inheritance of the kingdom of God, yet these types of people still believe they are Christians going to heaven.

2 Timothy 3:1-5 prophetically describes perilous times known as the last days. When the works of the flesh are manifested in church leadership, praise & worship, church administration and in the area of helps in the church, it is apparent the presence of God is not in the church. If there is no difference in the lifestyle of those who call themselves believers and work in ministry, then how effective is the ministry. Sinners who see this behavior either don't come to church or come and feel comfortable because there is no conviction to change a sinful lifestyle. So, my question to you is, what kind of Christian are you? Do you believe unrighteous people should serve in positions within the church simply because they have a college degree or money? Should unrighteous people hold positions within the church because of their social

status such as professional athletes, actors, entertainers, or politicians? There are a lot of people living in vain who call themselves Christians unto the Lord, but what does the word of God say about hypocrisy and insincerity of people? What kind of Christian are you?
