What Kind of Christian Are You?

Part II

Commentary, April 4, 2021

What Christians need to understand is that God will always focus on the church. Matthew 16:18 says that hell will not prevail against the church. This means demonic activity will be in the church as well as attack outside of the church, but it will not prevail. The Devil is destined for hell and he is trying to take as many fallen Christians with him, those who will not focus on their behavior. What kind of Christian are you?

According to Romans 1:28-32 are you the type of Christians that does not retain God in your knowledge? How can a true Christian live without the knowledge of God? An unrighteous Christian with a debased mind is low in character, corrupt, perverted, disgraceful and lewd. However, the scriptures go further to reveal the evil and wicked practices that manifest in their lifestyle. To those who practice such behavior, and to those who approve of such behavior God said the penalty of these sins are deserving of death. All Christians who are struggling in their walk should read Ephesians 4:17-24 to come out of spiritual darkness and blindness. Having a futile mind means you are useless, vain, ineffective, unproductive, unsuccessful, and have a meaningless life because you are not living in truth before the Lord Jesus Christ. Every Christian should go to a church that will cause them to grow spiritually to overcome spiritual darkness and blindness. No church is perfect, but a pastor with a heart for God will preach the gospel of Jesus Christ that will convict and challenge you to repent, ask for forgiveness

and live to forgive. If you want to hear some good news read Ephesians 1:13-14. You have a birthright (property already paid for in heaven). You have an inheritance, sealed by the Holy Spirit as a guaranteed purchased possession from Jesus Christ. What kind of Christian are you?
