Live By the Word of God – Part I

Commentary, May 23, 2021

Christian leadership that seeks popularity, fame and prominence are known to jump on the bandwagon of false ministers that are crazed with fads. There will be people who will follow their exaggerated zeal for a period of time until the truth is revealed. False doctrine comes from the ideology, terminology, and methodology of false teachers to popularize a culture for the church and a movement from a feigned gospel that pretends to lead people righteously. This false appearance of Christianity is artificial, hypocritical, and a camouflage to cause people's faith to become unsound. A fabricated gospel is to mentally invent deception through doctrines of demons and deceiving spirits according to 1 Timothy 4:1. This divine scripture proves there will be a falling away from the faith because of demon activity in false teachers. Ephesians 4:14 explains how Christians should not be tossed to and fro with every wind of doctrine by the trickery of men in cunning craftiness and deceitful plotting. The Devil wants popularity in the church and Christianity. In 2 Corinthians 11:12-15 reveals how the Devil infiltrates the church and why true ministers of the gospel of Jesus Christ must cut off every opportunity of the Devil. When false teachers reject correction, it is because their sanity has turned into insanity. When Christians follow the doctrines of men and not the doctrine of Christ that is insane.

Mark 8:31-33 reveals Jesus will always bring forth His will and God's word when men get off track to put their ways, will, and doctrines in place for people to follow. Live by the word of God.
