HORROR AFTER THE RAPTURE PART I

Commentary, July, 11 2021

Today people do not believe the world is ending. The world has become greater in wickedness, perversion, people are out of control being evil with murder and death everywhere. Lawlessness is spreading in the world. The world has grown worse through each new generation. Only God's chosen Christians can see the end is near. The world is believing just like the people in the days of Noah. People of the world do not take the warnings of God, Jesus Christ the Savior, and the preaching of the gospel of Christ serious for their salvation. Lukewarm Christians that admire, praise, esteem, pattern their lifestyles after Hollywood stars, entertainers, athletes, sinners that are millionaires, and billionaires are lost. Lukewarm Christians will be a part of the Great Tribulation Period. During the Great Tribulation Period the love

and mercy of God will bring a death of inflicted agonizing pain through torture. Revelation 7:9-17 reveals Christians that came through The Great Tribulation. REPENT obey God today so you won't face the horror of tomorrow.
