## **Jesus Bible Prophecy and the World Pt. V**

*Commentary, November 7, 2021*

The New Testament of the Bible was written by the Apostles during perilous times. The Apostles were being killed and the church was mainly underground. The Roman Empire was torturing and killing Christians. Spirit-filled Christians were in hiding and it was a time of tribulation. There was no comfort or luxury lifestyle likened to what we have today. Israel was under Roman captivity, their law, and their rule. Israel was looking for Jesus as the promised King to come back and restore their nation and Jerusalem. The Jews were looking for a warrior and Jesus came as the Savior of the world with His Father's word to establish salvation for mankind. The entire faith movement in Jesus Christ was under persecution.

Presently, we are not preaching under a dictatorship or ruled under the conquest of an Empire. Our country was established by God to be an empire for His justice, liberty, and freedom for all. America was the country the entire world saw as a nation of freedom and liberty. America made it clear, *In God We Trust*. Our Constitution was based on

God's word and recognized all over the world. Our democracy was viewed by nations around the world and no other country could defeat America. We were the most powerful country in the world. We were responsible for the invention of automobiles, aircrafts, electricity, locomotives, and we were the greatest exporters of food and goods. Now we depend on importing because America has forgotten God.

One of the greatest mistakes this Country made was allowing racism to fester and remain tolerable against a minority of people specifically African Americans. The Devil has used race and slavery to divide our country and because of racism and suppression the country have never allowed freedom and justice for all to be a reality. All criminals whether black or white, including those who commit political and corporate crimes should be jailed when they break the law. African Americans suffer brutally in America.

As a minister of the gospel of Jesus Christ, I see life through a spiritual lens, and it is essential as we are transitioning into perilous times. You must believe in the word of God. You must understand the bible and bible prophecy according to God's dispensation of time. Over time the escalation of wickedness through the influence of the Devil has changed America. Jesus sits on the right hand of His Father waiting to return for the church at the Father's command. Until then, the power of God has been given to the church to bring forth the message of Christ and the kingdom of heaven. According to Matthew 16:18, Jesus said hell would not prevail against the church, not Israel. It is now the responsibility of the church to bring forth the will of God until the return of Jesus

Christ. We are The Believers Worship Center, and we believe Jesus is the Almighty King, the Son of God who sits on the right hand of the Father. We serve to *Move People in the Right Direction* through the gospel of Jesus Christ, and we will do our part and fight the good fight of faith.
