Pastors Wake Up – Part II

Commentary, July 4, 2021

To keep your heart and mind focused on the will of God you must be full of the Holy Spirit. God gave you His Spirit, therefore in your heart you are born-again and baptized with Christ to walk in love, build with love, and to perfect the love of Christ in you. Perfecting the love of Christ in you allows the gifts of the Spirit to bring forth the will of God for the church. The church needs spirit-filled Christians to serve with the love of Christ. The power of God's love in you will allow the demonstration of the Holy Spirit to be the leader and dependable source of healing power for the promise of salvation. People need to be touched by God. You can be a powerful Saint of God for the Kingdom of Heaven if you yield yourself to be full of the Holy Spirit with the mind of Christ. It starts with the love of God in your heart to serve. Forgiveness, repentance, and reconciliation need to be present in the church. Our love needs to touch backsliders, prodigal sons and people who are hurting, confused and beat down by the wiles and wickedness of the Devil. Always remember 2 Corinthians 6:1-2 as workers for Christ that our grace is not in vain. Our focus should always be for the anointing of God to touch people to receive the salvation of Jesus Christ through the church.
