## **Pattern of Sound Words Stops the Devil's Deception - Part IV**

*Commentary, September 26, 2021*

It is important that Christians understand what God said in the bible about the word *seed*. What is the word *seed* used for and spoken in the divine scriptures for us to understand what God meant for the word? Metaphorically, the word *seed* is used for planting money, as an act of faith, for a return of more money from God as a harvest. There is a sect of Christians in the body of Christ that distinctively use the word as a doctrine. The term sowing seed is an expression phrased for financial gain. Who was the spiritual leader that created the cliché “seed faith sowing” because every cliché has an origin? Did “seed faith sowing” come from God or man? Of course, it came from a man. It was Oral Roberts, the pastor and televangelist who said in 1987 that God was going to kill him if he didn't raise 8 million dollars in 3 months.

Many Christians, in largely African American churches, are deceived because of false doctrines from deceiving spirits and doctrines of demons. The church is in a spiritual war, and it must be understood that demons can create false doctrines through men. Men deceive people and turn them away from the truth. *Seed* is to be understood as Jesus Christ in that

the seed is the Word of God sown into the hearts of people for our faith in Him to grow. Seed is understood to be the manifestation of offspring and reproduction of animals and vegetation. According to Genesis chapter 1 it was God's command that mankind, animals, and vegetation "... yield fruit according to its kind, whose seed is in itself". Genesis 8:20-22 reveals God made a covenant for seedtime and harvest in the earth according to seasons. When you hold fast to the knowledge of God's word for your spiritual growth, you are grounded in facts. The truth of God's word is what you stand upon. Read Matthew 7:24-27 as facts for your protection.

The Devil does not want the word (the seed) to be used correctly because it deals with our Lord Jesus Christ (Genesis 3:15). It reveals the truth that Jesus Christ is the "seed" that shall come through the birth of a woman to defeat the Devil on the cross. In Matthew 13:36-43 it is Jesus who sows the seed (God's word) into the world. The Devil also sowed seeds as tares, as wicked, sinful, and evil people for his use and purposes. The Devil wants to diminish the word *seed* in an effort to diminish the importance of Christ for the people who follow Him. The saints of God need the sower to sow the seed (God's word) to mature and be spiritually sound. The wiles of the Devil are to trick people to focus on money for gain. The Devil uses the world he controls under his power to focus Christians on money. His goal is for you to think you never have enough money. 1 Timothy 6:10 says, "For the love of money is a root of all *kinds of evil*, for which some have strayed from the faith in their greediness and pierced themselves through with many sorrows." There are ministers who get upset and outrageous

when this divine scripture of truth is read and taught. That type of behavior shows how much the Devil is involved in the minister's life. Always remember the Devil and demon spirits come to twist the word of God, use clichés to form phrases as an expression to create a false doctrine for you to believe. Walk in the knowledge of God, for it is the simplicity of facts to live by. Walk in the wisdom of God according to Ephesians 1:13-14 and 2 Corinthians 11:3 as the knowledge of God for your soul and spirit.
