## **Pattern of Sound Words Stops the Devil's Deception**

*Notes, September 26, 2021*

1. You can waste so much time with foolishness and foolish people in the church.
2. Jesus sent teachers and preachers to give His word in simplicity for people to grow spiritually.
3. Stay away from competitive ministers. Heady and unteachable ministers or people are not worth being around or spending time with.
4. Many ministers have become ideologists. Their ideology is to create ideas from scriptures to build a culture for the body of Christ to use words to phrase expressions for people to follow. The ideology sounds good, but it is a creed of false doctrine. The creed is an idea of word expressions used as clichés for people to believe and follow as a principle for faith. Now you have people's faith being guided by a cliché created by deceiving spirits and doctrines of demons. Demons do give ministers ideas to preach false doctrine. The ideology turns into a creed, the creed turns into a principle, the principle becomes a guide for beliefs, and the beliefs are

rooted in false doctrines created by deceiving spirits and doctrines of demons. Always remember avaricious and spurious ministers are led by demons.
