Planting Seed for Spiritual Growth Part II

Commentary, July 3, 2022

The pandemic has brought death around the world. In America we see and experience mass killings almost daily. So much hatred is expressed through racism, and now homosexuality is an accepted lifestyle. The culture welcomes the exchange of sexual identity and sexual orientation, and the government passes laws to grant this sinful lifestyle civil unions. The Word informs us in Romans 1: 24-28 that God gave them (those practicing homosexuality) over to a debased mind because they did not like to retain God in their knowledge. As a born-again Christian, we must see these days as wicked and immoral. We must prepare for the coming of the Lord. Do not fall asleep but be wise and walk in the knowledge of the Lord according to biblical prophecy as signs of warning. Remember what Jesus said in Matthew 24:6-8," 6 And you will hear of wars and rumors of wars. See that you are not troubled; for all these things must come to pass, but the end is not yet. 7 For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places.

8 All these are the beginning of sorrows.” And we as Christians must walk circumspectly, not as fools but to be wise and understanding in accordance with Ephesians 5:15-17. We are to redeem the time which means we are to fulfill righteousness and bring forth the will of God because the days are evil. Therefore, understand why we must sow seed (the word of God) according to Luke 8:11.

As a church, we must preach sound doctrine in the presence of the Lord. The judgement of God is reforming His church, the body of Christ, to bring forth the power of the gospel and doctrine of Christ. As wickedness gets out of control in America and all man knows to do is to present evil, the church will sow the seed of God’s word to win thousands of souls to Christ. Stay committed to the work of the ministry for great is your reward in the kingdom of heaven.
